Jim Kissell, consulting engineer who spends many hours working with Nebraska City's engineering problems, told the story the other day about a man who returned to his home and smelled cigar smoke

He doubted his wife when she told him no other man was around, but decided not to argue and went upstairs to shower before dinner

As he entered the bathroom he saw the shadow of a man behind the shower curtain

He flung the curtain open to find the cigar-smoking stranger "Cut that out!" he said, "I'm not through voting!"

It's time to THINK GREEN!

Spring is just around the corner! That's why we recommend TURF BUILDER now Early fertilizing means early green-up. Also early root development, sturdier grass, thicker turf.

TURF BUILDER is the only grass fertilizer that's **Trionized**—to give **sustained** feeding Its protein-building nutrients are "locked in" until needed, then automatically released only at the time and rate most beneficial to the lawn.

Dollar for dollar, TURF BUILDER is your best fertilizer buy.
