The Buck Ends Here

By IVAN D E. BEAUMONT

Ya-hoo! Here comes Company B!

Allen Holmes, who doesn't look his years, writes that Company B guardsmen will return to Nebraska City for a reunion May 15

The guardsmen bivouacked on the courthouse grounds, marched down Central Avenue and boarded trains to fight in France and Germany during WWI.

+ + +

That was some time ago, Mr Holmes says. "After 54 years we're not as young as we were in 1917. . .I don't come out of my corner in the mornings as fast as in former years."

Col. Jay "Duckey" Holmes who commanded the guardsmen during WWI, is planning to attend. We haven't heard from the colonel so we can't confirm it, but we do know he has a habit of visiting the Kentucky Derby before coming here.

Perhaps one of those WWI "horse jockeys" will give the colonel the right tip so his arrival will be worth an extra celebration.

He'd like that! That'd even make Ray Price kick up his heels.

One of Nebraska City's fine attractions will be open to the public April 17-18 in the form of the Greater Nebraska Science and Engineering Fair.

The two-day exhibition will be at Senior High auditorium. Students will be judged on their exhibits and receive recognition at a program Sunday afternoon.

If you've never attended one of the science fairs, you should do it. The boys and girls have really put their hearts into their projects and are very proud to show their skill and answer questions

The "workhorse" of the fair is Sister Jean Mark of Nebraska City Lourdes.

She "runs" the Lourdes science fair and swings into gear for the real whopper at Senior High. Her satisfaction is the number of students who compete and the response by the public.

Tora! Tora! Tora!

The Japanese attack on Pearl Harbor on December 7, 1941, will be screened at the Pioneer Theater this week.

The Nebraska City VFW post is sponsoring shows April 15 and 16 by selling tickets for $1.50. Post Vice Commander Aldean Grundman will speak briefly before the film is shown.

The VFW color guard will also make an appearance. Members of the guard will be Grundman, Herman Varenhorst, Bill Knickman and Dave Nelson.

+ + +

Bill Golden, who works at the Nebraska City post office, is one of the survivors of the Japanese attack. Mr Golden is an active member of the Pearl Harbor Survivors Association. I'm sure he will be among the many veterans who will attend.

Remember the family who passed through Nebraska City a year ago in a covered wagon?

Well they're back home in Norwalk, Ohio. In fact, according to a newspaper clipping provided by Rex Hickman, the couple is in jail charged with possession of marijuana.

Russell Oliver, his wife and four children left their home with a team of aging Belgians, a wagon, $14 and a month's supply of food en route west. They got as far as Utah before returning to Newark.

The youngest child had fallen from the wagon twice and was run over by the rubber tires once A daughter had broken her arm in a fall from a swing and the entire family was weather beaten from hail storms and a tornado

The children are now being cared for by other members of the family.

The Young Nebraskans

Jack D. Tarr of the Banner Press at David City, Nebr., says a stereo album of music by the Young Nebraskans is available for $4.75 each.

Roger Bruns of Nebraska City and Jayme Malone of Palmyra were among the group of Nebraskans who cut the record. The group was organized by Glenn Peterson of the Doane college music department and toured Nebraska and England.

"The production of this album was not a profit making venture but rather was aimed at supplying records to the Young Nebraskans, their families and friends," Mr Tarr writes.

The albums are available from Renee Sound Studio, David City, 68632.

Hoffa freed to see wife

SAN FRANCISCO (AP) — James R Hoffa has been released from a federal prison in Pennsylvania to visit his wife, seriously ill with a heart condition m San Francisco.

The Justice Department announced Friday in Washington that the Teamsters Union president was granted a furlough Wednesday to travel without supervision after Mrs. Hoffa's doctor said Hoffa's presence "is urgently required "

Hoffa's attorney, Morris Shenker, said "As a result of the visit, her doctors report she is much improved. They are very hopeful."

The Justice Department said no time has been set for Hoffa's return to the U.S. Penitentiary m Lewisburg, Pa , where he has been confined since 1967 but his furlough "is not expected to last more than a week "

Shenker said Hoffa would remain visiting his wife, Josephine, 50, until Monday

Mrs Hoffa was admitted to the University of California Medical Center March 18 for treatment of what doctors describe as a painful condition. She was treated for a heart ailment last November in Miami, her doctor said

A patient on the fifth floor of the hospital, where Mrs. Hoffa is being treated, said Hoffa has been smuggled daily into the hospital since Wednesday The patient said Hoffa would wear a long white coat, such as is worn by doctors, and a walkie-talkie system was used to make sure hallways were clear before he arrived and departed by a side entrance

Two husky men are stationed at Mrs Hoffa's door, and they warned newsmen away from the fifth floor

The Justice Department said such furloughs "are considered routine and are granted in cases of personal emergency when the prisoner is not considered an escape risk." The announcement said 245 personal emergency furloughs have been granted in the past six months by the U.S. Bureau of Prisons.

Hoffa has served four years of a 13-year prison term for jury tampering and mail fraud.

His second application for parole was rejected a week ago.

John Tyler was the first U S president to marry during his term of office. He married Miss Julia Gardiner in New York City, June 26, 1844.
