LT&T seeking an increase in rates

LINCOLN, Neb (AP) — Lincoln area residents may soon see their monthly telephone bills jump by 65 cents to $1.

The Lincoln Telephone & Telegraph Company has asked the Nebraska Public Service Commission to hike rates by 10 per cent to 15 per cent for its 265,134 subscribers in 22 southeastern Nebraska communities. The firm is also seeking an increase in connection charges.

Thomas C. Woods Jr., president of the company, said the increase is needed to offset higher operating and construction costs and to return better dividends to shareholders.

The firm's last rate increase was in 1970.

Today's Famous Quote —

This week's Famous Quote came from two men. The subject was financing the ESU4 education program for the handicapped.

Governor Exon read the News-press first and then said what Kenneth Gardner said about it was an untruth.

Mr Gardner said what he said was the truth and said he didn't say anything that wasn't said to be the truth or he'd have said so in the first place.

To. . . .which **Governor Exon** said he said at a board meeting what had to be said and should have been said before.

To. . . .which **Mr Gardner** said anything else he had to say would be said at the Auburn meeting last week. [Ed. Note: Yup, he said it!]

This month's Electric News from OPPD gave some timely hints on safety and kite flying and recognized Mrs Merlin Hartman, Douglas, as the Guest Homemaker. Mrs Hartman's "Cherokee Casserole" recipe was reprinted. Sounds tasty. . . I'll slip it in Millie's index file and get her to try it sometime.

We thumbed through several books given to us on Nikon and Nikkormat cameras and noticed that they were printed in Japan. Not unusual, nor was the high quality of printing.

What did catch our attention was the full page color picture on the inside of the cover (advertising the quality of the Nikkormat EL camera). It was a picture of a football team. Yeah, you guessed it. . .No. 20, Johnny Rogers, running through the Oklahoma Sooners. The Japanese must like Nebraska football, too.

We sat beside a couple from Deweese at a Legion speech contest last week who asked if we knew Mr and Mrs Eugene Schreiner Bob Karmazin is a nephew of Mrs Schreiner

Mr and Mrs Karmazin looked out the window of the school at Scotia and remarked they liked Phoenix and Sun City weather a lot better. They returned from a vacation in Arizona to join the rest of us back home in the ice and snow

Here's a note from the Honda motorcycle people that the new models will be out soon including the new road machine, a 1,000 cc shaft drive (that means no chain to you four wheelers). To the best of our knowledge the only other drive shaft motorcycles are the BMW and the Moto Guzzi Call Guy Miller (after 11 p m) and he will fill you in on the details

Johnny Sornson, owner of Johnny's Yamaha at 1425 Central, said Yamaha is expected to offer a 1,000 cc shaft drive machine in the fall It will be a four cylinder "V."

Johnny has a 1975 two-cylinder 650 cc on the floor along with his other 1975s. Yamaha also makes a twin 750 The Nebraska City cycle dealer said he is looking for a good year, but nothing as super as last year when he was swamped during Feburary and March "It hasn't started off with a boom like it did last year, but I think we'll have a pretty good year"

The sudden change to the 40s the past few days has brought out a few cyclists. Johnny has been riding a bike to work recently

The best act we've seen was a couple of boys — Brad Yost and Jerry Steinman — riding motorcycles in a field during one of the snowstorms. Now I know what is meant by "diehard."

Bob Poggemeyer is out of the hospital and I take credit for his release.

No, I'm not the great healer, but occasionally the right words are said to the right person at the right time. . . .all I said to Bob was:

"Thanks a lot, Bob"

"What for?" he asked as he walked down a hospital hall in his pajamas and housecoat.

"For the use of your dogs. . . .you know, the dogs that you always say are such good bird hunters?"

"Did you use MY dogs?" he snorted.

"Sure. . . .and my, they are good hunters. . . .we must have gotten eight or 10 rabbits."

(Understand Bob checked out of the hospital a short time later).

SPORTS LINE-UP

By LEN HOSKINS

It's been a long 10 years since the Nebraska City Pioneers last made an entry in the state basketball tournament. . .that was 1965 in the Class A meet held in Omaha.

Since then the state meet has returned to Lincoln and hopefully the Pioneers can make that trip to the Capitol City this year

Looking back at that 1965 team that lost to McCook, 72-48, team members included Dan Weddle, Craig McElroy, Chris Kohout, Wes Harrah, Dan Weber and Larry Schreiner.

Roger Leitner, who went on to play for Nebraska, finished with 40 points, far over his 26.8 average. The Bisons had won 13 straight coming into the meet and then dumped the Pioneers before losing to Boys Town 45-41 for the title. McCook finished 19-2.

At that time little Steve Zimmers was a superb player, often called too small for prep ball. Steve was a great ball handler and dribbler Look at the current crop of Scott Meyer and Jeff Ehlers for the Pioneers, 5-6 Scott McKnight, Plattsmouth and the 5-6 Gregory twins from Fairbury Who was it said that basketball was for the big man?

The 1965 team was let by Tom Dammast 6-5 with 256, followed closely by Jerry Higgins 233; Milt Romjue 222, Jay Fenstermacher 167 and Zimmers with 130. This year's team has good overall balance, but none to match the experience and shooting of that team

—LEH—

It was also 1965 that a young man from a small area school earned All-State Class D honors Now a well known Nebraska City businessman after a career at Peru State, Tom Patton is doing well in the business world.

Tom finished the 1965 season with a 26 2 scoring average despite being only 5-10.

Nebraska City defeated Bellevue and Hastings to earn the last state trip This time the Pioneers must dispose of Falls City and Fairbury to earn a shot at the finals.

This Pioneer team and Coach Larry Moore must be given a great pat on the back for the fine season this year, regardless of the outcome of the district meet which opens Monday night in Lincoln

Coach Moore knew he was in a rebuilding year yet the Pioneers finished 12-7 in regulation play. That record speaks for itself . .but it's plain to see that no one told the Pioneers they weren't supposed to win that many games. No one expected them to, but play they did and got better with each game.

First was a narrow loss to Seward, which finished regulation play with just two losses. Then look at the job the Pioneers did down the line including the great overtime loss to a much taller and talented Fairbury club.

Take the starting five and look at the returning starters. Only one or two, Jon Orton and John Golden, saw any varsity action last year. The rest played reserve ball. When called on by Coach Moore the team responded to the call to "comeback", and that they did time and time again, not knowing when to quit.

When a player got into foul trouble, Coach Moore was quick to go to the bench. He got more than 110 per cent effort from his bench strength time and again, often times that player finishing in double figures and leading the team to a win. That's what you call great coaching anyway you look at it and the team respects a coach who can bring in a player and jell a team especially if you're behind and that player sparks the team back to a win.

Twenty-six wins in succession and heading for the Iowa Girls State Sweet Sixteen basketball tourney in Des Moines are the Farragut Adettes girls team Coach Leon Plummer's gals dropped the season opener and since have bounced back to win 26 in a row including both the sectional and district titles last week. One of the Adettes also won the district free throw shooting contest to compete at the state contest.

Another Southwest Iowa team, the Hamburg Wildcats, are currently undefeated with 25-0 mark and won their Sectional cage title and now move into district play at Farragut Monday night meeting Villisca

Filley cut a big Sterling gap to 47-45 with 2:32 left but Rolly Aden, who had been the hero in the upset win over Adams earlier hit to give the Jets a four point margin. The Jets are now 14-6 as Aden finished with 16 points.
